

## OFFICIAL RULES

### GAME

The Stock Market Challenge game gives every player 5 stocks from the Nasdaq or New York Stock Exchange to start the game. You can keep your 5 stocks or trade your stocks at any time during the game. The object of the game is to have the 5 stocks with the Highest or Lowest 5 stock valuation each day and when the game ends.

### PRIZES

**DAILY PRIZES** - Prizes will be awarded to the player(s) with the Highest 5-stock portfolio valuation every day Monday through Friday. Some games award prizes to the Highest and Lowest valuations daily.

**GRAND PRIZES** – Prizes will be awarded to the players with the Highest and Lowest 5-stock portfolio valuations when the game ends.

**TIES** – If there are ties for any prizes, prizes are awarded at random to the winners.

**PRIZE CATEGORIES** - Prizes can be cash, points or items of value. The number of prize categories and the amounts can vary. Prizes are awarded within 10 days after the contest ends.

### ENTRY

ALL players are required to login to [www.StockMktChallenge.com](http://www.StockMktChallenge.com), register and enter an access code. If your entry is free or paid, click on CLAIM NOW, ENTER and then START NOW. If you are purchasing entry, click on BUY and follow the CART DETAILS. You will receive an email confirming your entry.

**EMAIL TICKETS** You can email a ticket purchased online to a friend.

**START** Click on the **START** after you enter the game. If you enter prior to the start date of the game, you must come back and click on **START** when the game begins.

**PLAY AGAIN** Enter as often as you like in order to have more chances to win. Click on GAMES at top of page and click on the game you want to enter. You can purchase another entry or click on “Details” and enter another access code.

**DATES OF CONTEST:** The Stock Market Challenge dates can vary. Start and End dates are stated on the entry.

### \$100,000 PORTFOLIO

Each of the 5 stocks in your portfolio is worth \$20,000 for a total valuation of \$100,000 to begin the game.

## **TRADE or AUTOTRADE**

You can trade your stocks at any time by clicking on TRADE or AUTOTRADE. When you click on TRADE, you select one stock from the approximately 500 stocks available to choose from. When you click on AUTOTRADE, your stock will be traded with another stock at random. When a stock is traded, the total value of the new stock is equal to the stock traded away. The game has no fees for trading.

## **LEADERBOARD**

The LEADERBOARD lists the 5-stock portfolio valuation ranking of all entries from High to Low and is updated daily. Click on “Amount” to toggle between Highest and Lowest stock valuations.

**STOCK VALUE UPDATES** All stock values are updated daily.

## **ODDS OF WINNING**

Odds of winning are determined by the number of entries.

## **RESULTS**

Results will be posted online with the total valuation of the stock portfolios, ticket numbers, winners, and prize amounts following the close of the contest. You can check the Leaderboard for all entries and their valuations during the game.

## **STOCK TRENDS**

A bar graph shows the stock price trend of a selected stock and gives a short history of each stock's performance to help make decisions when trading stocks.

## **DETAILS**

Click on DETAILS to see information on each company to learn about their products or services.

## **EDUCATIONAL TOOL**

The Stock Mkt Challenge game is an educational tool. It helps all players learn about the ups and downs of the stock market.

## **ERRORS**

If there are any errors in printing, stock prices, access codes, valuations, or if any stocks have been removed from the stock exchange, split, altered, tampered, or forged in any way, Green Bee Fundraising reserves the right to disqualify these entries. If there is any error or alteration with the Stock Market Challenge software or if prizes cannot be awarded as stated for any reason, we reserve the right to distribute prizes in an alternate method to be decided by Green Bee Fundraising. Green Bee Fundraising reserves the right to terminate or modify this game at any time without prior notice. All decisions made by Green Bee Fundraising concerning all aspects of this contest are final.

## **OWNERSHIP**

There is no ownership or inferred ownership of any stocks by any players, the sponsoring organization, or Green Bee Fundraising. Stock Mkt Challenge is a skill-based game. There is no affiliation with any stock market or broker. Stock Mkt Challenge is a fundraising or promotional game.
